Course Highlights

(Briefly discuss what information will be presented in this course – See example below)

This engineering online PDH course will establish, through slides and discussions, the methods used in the art/science of managing projects, whether the methods are used to manage companies, projects, or objects during fabrication.

(Briefly describe what is Scope Control in Project Management – See example below)

Scope Control is described as the Project Management methodology to avoid significant and uncontrolled scope deviations. They tend to happen when the field and design teams fail to adhere to the plan for any reason. When a pattern tends to take place almost unnoticed to these professionals, the term is called Scope Creep.

(State who is this course intended for – See example below)

The # PDH online course is intended for civil, electrical, mechanical and structural engineers, as well as project managers in construction, who are interested in learning more about scope control in project management.

Learning Objectives

This PE continuing education course is intended to provide you with the following specific knowledge and skills:

- Controlling Scope Creep
- Implementing Change Management
- Reporting Progress and Cost Changes
- Reporting on Performance

Course Document

In this professional engineering CEU course, you need to review the course document titled, "Scope Control in Project Management " by Manuel Gooding.

To view, print and study the course, please click on the following PDF attachment:

Scope Control in Project Management (4.43 MB)

Course accepted in:

Alabama
Alaska
Arkansas
Delaware
Florida
Georgia
Idaho
Illinois
Indiana
Iowa
Kansas
Kentucky
Louisiana
Maine
Maryland
Michigan
Minnesota
Mississippi
Missouri
Montana
Nebraska
Nevada
New Hampshire
New Jersey
Oregon
Pennsylvania
South Carolina
South Dakota
Tennessee
Texas
Utah
West Virginia
Wisconsin
Wyoming

Course Quiz

Once you complete your course review, you need to take a multiple-choice quiz consisting of **twenty five (25) questions to earn 4 PDH credits. The quiz will be based on the entire document.**

The minimum passing score is 70%. There is no time limit on the quiz, and you can take it multiple times until you pass at no additional cost.

Certificate of Completion

Upon successful completion of the quiz, please print your Certificate of Completion instantly. (Note: if you are paying by check or money order, you may print your Certificate of Completion after we receive your payment.) For your convenience, we will also email you your Certificate of Completion. Also, you can log in to your account at any time to access and print your Certificate of Completion.
